Promote staff development and growth to support student achievement.

The District's certified teachers and administrators participated in sixteen two-hour collaboration meetings that were held on selected Mondays during the 2004-2005 school year. The structured meetings focused on improvement topics related to instruction and student learning.

Emphasize communication and involvement with staff and the community.

The District continues its strong partnership with the Rotary Club of St. Maries, local medical and dental providers, and Idaho State agencies to promote early literacy activities. Over 9,600 free books have been distributed to children from birth through 5<sup>th</sup> grade. Approximately 92% of area day care providers were trained in how to implement early literacy activities. Scores to students who participated in early literacy activities indicate the program is extremely successful in preparing students for kindergarten.

A strong community Volunteer Program has been established, with volunteers undergoing background records checks.
